Dear Parents/Carers

## Future Intentions Event - Please Help

On Thursday 15<sup>th</sup> December we will be holding a careers day for your child, focussing on their future intentions and aspirations. This day will be dedicated to careers, education and training, during which pupils will be taking part in bespoke sessions, watching presentations, taking part in demonstrations and gaining a valuable insight into a range of possible career pathways.

The activities will run for 30-60 minutes, with classes of 20-30 pupils. The aim is to inspire and educate our pupils on the vast opportunities available to them, raising their aspirations and providing the motivation and support to make informed decisions that enable them achieve their best in life.

Our previous careers events have been a huge success thanks to the fabulous support provided by our parents and local community. Therefore, we would love for these sessions to be delivered by as many external agencies, visitors and volunteers as possible.

**If you can offer any assistance, or know of someone who can help to deliver a short presentation, assembly or demonstration on a career of their choice please get in touch. Your help and ideas would be greatly appreciated, no matter how big or small.**

If you are interested in helping, or have any queries please contact the school office to arrange to speak to me in order to answer any questions.

Thank you for your anticipated support.

Yours sincerely

**Mr A Hughes**
